“ "Grandpa Cox". What a guy. So grateful to have gotten to know him over the past few years when I was working with Corie. He always was so encouraging to me in my decision to go to Asbury for ministry. Everytime he was there watching Brantley was always a joy to visit with him. I am praying for you all.

“ When Danny and I were in a musical group together Joe, with his wife Arlene, would come out all the time to support us. He would always give me a BIG BEAR HUG which he did with that great smile of his.
He was always so positive and encouraging. A great man!!!!
