“*Mr. LePera was a kind, attentive gentleman that I met some years back when I was working for General Motors. He enjoyed his business and he sure loved his wife and family.....talked of them always, and held them in the highest regard! Kay McCobb*”

“ *Uncle Joe,
Words cannot express the gratitude or love I have for you.. Your wisdom, generosity and sense of humor will be remembered always!!! You let me be a big part of your family and I am deeply indebted for the times we shared.. I can hear Forrest shouting, "Uncle Jooooooooooooe" and you coming to see what he wanted.. Your a part of Eternity where there is no more pain, sorrow or tears and we too shall be together in time. Thank You for putting up with me and being the Very Best Uncle a girl could ask for. In lieu of flowers, I want to remember you by making a "Duck Sanctuary" where you loved to feed them by the canal.. Good Bye for Now... Hello Forever!!!! xoxoxoxoxoxo"*

“Joe, I will surely miss you in many ways. Although our initial introduction was through the acquisition of your business, you, I and your family became very good friends. We always introduced each other to others as part of our "family." I will truly miss you and I know that you are in a better place now. Peace be with you and all your family. Bob & Cheryl Curtis”
