“ I am so sorry that it's July and I'm just finding this post. I am truly saddened by this news. I was/am a friend of Sue, I worked with her and then I moved into the house across the street from Josi (where Joe and Mary Lou used to live) Josi showed me how to make her Lasagna and I still use the same exact recipe today and have passed it down to my daughter. And her beef stew too. I was blessed and honored to have known Josi, Jim and Josis dad "Cheech".

*I loved you then and I love you now.*

*See you again some day*

*Ahh cha cha Cheech!*

“ Josephine was the sister I never had. I have sooooo many memories of her through the years. I miss her so much. She was a very lucky person to have such a loving family, she always had a good time at all the parties at Paulines' I heard about all of them. Remember all the good times you had together as a family and when you are sad I am sure there will be something you can think about that will make you laugh. love you Guys

“ What a great & dear friend Josie was to me. She took me "under her wing" 40 plus years ago and welcomed me as a friend and into her life and her family. So many crazy & fun memories!! I know how much she loved her family and how much she worried about all of you -- you all were her greatest joy and she knew much she was loved. Thanks for the many years as your friend and all the memories, Josie .... I will miss you. Love, Norma

“ So sorry to hear of Jo's passing. Though I was a kid when she moved to Michigan, I got to know her better when she moved back to Schenectady a few years back. She was always so much fun to be around! We will miss her.
