“ How the years go by. It's been over 44 years since we graduated from Osborn High School. I'll always remember Judy's smiling/happy face. I'll especially remember the photo of Judy and Val in the yearbook. It was taken at the cap and gown dance. Now both of them are gone. Life is too short and precious. Enjoy every day. RIP Judy. Love, Marie

“ I met the Hobson Family back in early 70's through my friend Diane Laliberte. Both Judy and Pat were my room-mates. Judy always amazed me with her energy and her humor, with diabetes and her loss of sight she didnt exhibit any self pity..I really admired her for that. I'll miss your smile Judy. My Dads up there with you calling you Kim Novak as he always did..Love Alice

“ Judy was an amazing lady she was so positive even when things were trying to get her down. She also loved my cranberry oat meal cookies I would make when I worked at FMC for the holiday party. I will miss her she was the best.

“ To my best GM friend and former roomie at Gardenia Gardens. We had some crazy fun times... the 3 interns who lived in the apartment above us and cranked up "Smoke On The Water" at all hours of the night, partying, our disastrous trip to Toronto and the occasional visit from Boo Radley. I will miss you my dear friend.

“ To my best friend, my buddy, my confidant. We shared so many good times, I will never forget them. You were a strong woman who was always positive. Just talking to you made my day brighter. You were with me when I met Ed, you were my maid of honor, you loved my kids, you were there when I needed to talk. Your beautiful smile is with me always. Until we meet again, good-bye my friend,Linda.
