“ Kathleen,

I am just in shock. My sister Cathy just sent me the link to your mom's obituary and it took me a few minutes to compose myself. I will always remember your mom and her voice. She always had a smile on her face and a cup of coffee to go along with her smokes. I always had a deep respect for her and always considered her "Aunt Judy". I know there is now another angel up in heaven to look out over her family and friends. I bought my parents house and still live there, would love to get together and reminisce about the old days.
