“ Goodbye Karen, dear friend. I will miss our get-togethers and cherish the fun times we had together over the years. We first became lunch buddies at work and that grew into a long-lasting friendship. Our group of work friends that somehow became the four musketeers, did so many weird and wonderful things, from late night boating, to bocce ball, to shooting guns at a range, and so many other crazy times... Not to mention working together and appreciating your excellence as an engineer. I had thought you'd always be there for those dinner & movie nights that we enjoyed in recent years. Gone too soon, you will be greatly missed.

“ Karen,

The three remaining "Musketeers" are all saddened to know we've lost you. Some great laughs, head shakes, and sighs were shared back in the day (along with plenty of really great red wine).

Rest in peace, Musketeer.

“ Karen was the best Aunt to Kacie and Kendall. She loves them as if they were her own. She spoiled them with gifts and the best Easter baskets every year full of goodies. She never missed any of their activities. I recall her going to Kendall’s writing workshop (cause mom and dad couldn’t break away from work) and she brought Kendall all of her favorite food for a picnic including pancakes from McDonalds to frosty from Wendy’s! We will miss her so much.
