“ *Jeff, Lindsay, Andy and family. I am so sorry for your loss. I think Karin was Lori's best friend. I have so many fond memories that I'd like to share with you someday. It broke my heart that we could not attend the services. I truly hope you find peace and happiness in her memory. Eddie Greer*

“ *My friendship started out more than 20 years ago when I was a patient of Jeff's and Karin became a manicurist in their home. I said I was looking for a new manicurist and a new friendship began. From there I got to know her mom, sisters and several of her friends and a few bus trips to casinos were made. I will never forget the fun and laughter we all had and I know that my friend is up in Heaven making new friends laugh now. I love you, Karin!*

“ Growing up with the Milostan family was always the best times! Each one of us Tomczyk’s had the most fun with Susie, Sammy and Karin! Riding bikes around the block, singing and dancing in the basement on Hayes, croquet at our house on Sidone and yes Karin, my favorite memory was playing Taxi Driver with the big blue Station Wagon! Gorgeous sunny day I’m the driver with you and Nicky in the back seat and me and Susie in the front as I popped that shifter out of drive and my legs and feet couldn’t reach the brake as it rolled out of the driveway into the middle of 10 mile as me and Susie hopped out doors wide open, horns blowing, traffic stopped in front of the house with you and Nicky still in the back seat! That was the first time I ever got yelled at by your dad and had to sit in the living room the rest of the day, and even though I said I was sorry and no one got hurt the only one who hugged me and said it was fun was you! I never forgot that, maybe that’s why I was always your biggest fan! God Bless you Karin and even though it was time for your number to come up and go back to where you started I will cherish all our loving cousins memories, God knows how many we all had with you and your sibling’s together because everybody knows “Ain’t nobody crazier then your cousins on your mommas and daddies side!” Til I see you again, I love you forever and a day plus one! ☐ Marilyn your forever Taxi Driver 😊

“ Christmas Eve was always at Karin's mom and dad's house. That's when all us cousins got together. God we had the best time! We would eat, sing, eat, dance to the records playing, mostly Christmas songs and eat some more. That's where I spent most of my time with Karin. She was one of the younger ones so she kind of got lost in the crowd. But then all of a sudden there she was keeping up with the rest of us. I will miss your pretty face and your voice that was so calm. I spoke to you a short while ago and you sounded so good. Just like the Karin I always knew. Joe and I hope you are finally at peace. God bless you and your whole family. Till we meet again

“ Jeff, Lindsay, Andy and Owen,

I am sending my most heartfelt sympathy to you all. I am SO VERY SORRY that I will be out of town and unable to attend the service for my beautiful friend of more than twenty years. I saw this quote and wanted to share it with you to express how I feel....."The tears in my eyes I can wipe away. The ache in my heart will always stay." She was the best friend a person could have ever asked for. I will treasure every minute I was blessed to spend with her.

*All my love,
Andrea*
