“ Kathy we have so many memories that we shared. You were more than a cousin to me. You were my big sister, my role model, my shoulder to cry on and my problem solver.

My favorite memory is our trip to Montana to see your sister, Barbara. Just you and me having a lot of fun, many, many, laughs and making cherished memories. Taking family vacations in our campers with our kids, even the mishaps had fond memories. Holidays especially, Christmas, were filled with family traditions, singing, food, fun and sometimes expected chaos. Our time together in the flower shop, even under stress we managed to have a good time. You had the kindest, most loving heart and always thought of others. You treated my kids with just as much love as you did your own, and left them with great memories. When we went through a rough time after losing Laiken, you provided support for every member of my family. All through your battle with cancer you still managed to have a sunny outlook. Now you get to hang out with Rick and the rest of our departed family members. Give sweet Laiken a big hug and kiss from us. God must have needed another angel in heaven and he picked you.

I will truly miss you and cherish the time we had together. Till we meet again.

Love, Lorraine, Tom and Family.

“ Scott, children and grandchildren..our hearts are breaking for you all! Look at that smile...she would lite up a room where ever she went! She could do everything and did...I'm not sure how.... but she'd put on a Commodores Ball, be President of First Mates, manage a Flower Shop, keep track of her beloved Scott and all of you! She was a dynamo.! Her heart went into everything she did and her ability to laugh at herself was priceless! I miss knowing that she is not "out there" doing her thing! She was a treasure of energy and always had a story to tell about her wonderful family! She loved you all so very much! All our prayers and deepest sympathy are with you . Thank you, Kathy, for all the memories! Love, Ted and Gay Spicer

“ Although I never had the chance to meet you personally, I did know that you had the biggest kindest heart. When My Baby passed away you offered to make her grave blankets I knew you made them with love. Then when my oldest Daughter Stephanie was killed you gave Amanda a bracelet to give to me with 2 Angel's on it, you said to represent my 2 Daughters that I lost. I still have the bracelet, I always thought of you when I wore it. Now when I wear it,.. I'll wear it to represent you now too. Thank you for everything you've done for me and my Girls. May you rest in peace.

“ *Kathy, the lady who was full of life...  
I knew her from the time she and Scott joined the NCYC....In 1986, she had to be convinced to handle the social responsibilities for my Presidency of the First Mates , and once she got started....she never had to be convinced to help or plan any activities for our club or the First Mates....Her talents were endless when it came to making anything her heart desired.....I remember the day she told me of their camper blowing away from their property in a storm....it was not sad, to hear her tell the story....!  
I will miss her standing next to me over the last few years at the Memorial Flag raising ceremony and to know , she is now at peace but her stories will linger for many years .My sincere prayers go out to Scott and his entire family.....  
Somewhere in heaven, Kathy is already planning to either decorate chairs for the angels special events or putting a floral arrangement together for the ones joining her....*

“ *We had the pleasure of meeting Scott and Kathy when we joined NCYC in 1991. Oh so many memories. Meal prep in the kitchen at NCYC. Lots of whipped cream and jello. Lots of laughter. While celebrating her Special Birthday of course she and I got carried away with a cake fight !!! She's the most talented woman I've had the great honor of knowing. She taught me lots about flowers while preparing our annual Commodore Balls. She fought this past adversity and had me laughing while she was in pain. No more pain my Friend. Hook up with Matthew till we meet again. Hugs n prayers for the family.*

“ *I remember Kathy from when I was just a child as she was one of my mom's best friends. My sister and I played with Pam and Amanda and she was such an amazing mom to her children and grandchildren. She had the biggest, sweetest heart and a sewing talent like I've never seen. Her positive attitude towards her cancer was truly an inspiration. She fought a courageous battle and now rests in the hands of our Father. She has touched so many lives and has left behind such fond memories. She was truly a one of a kind. Until we meet again, Rest In Peace sweet Kathy 🙏 Xoxo Kim Reske Mangan*

“ My heart aches for my beloved Friend- She had been 1 of my 1st Mates of NCYC Mentors since Memorial Weekend 1995 when I 1st walked into the kitchen with my hands raised & said - here's a pair of hands - what do you need me to do!! She helped me navigate being a good 1st mate & a NCYC member - She continued to be there for me whenever I asked for her help or guidance & sometimes even when I didn't know I needed it. Kathy was 1 of my support & go to persons throughout my daughter's battle with cancer, for which I will be eternally grateful. I'm sure that Kathy & my Kim will be getting everything done right in Heaven - doing whatever & wherever our Lord needs them. Rest in peace my friend,, Yvonne
