“ Kathy has been an important part of my life as long as I can remember. My first memories include many fashion shows with our little Revlon Dolls, dance lessons, and Girl Scout camping together. We stood up in each other’s wedding and spent the holidays together with our families, which included Kathy’s delicious lobster bisque soup! Kathy was a wonderful, kind, loving, and fun friend. She was my best friend, and I loved her, and we will really miss her.

“ So very sorry for your loss. Kathy was a sweet and wonderful lady . Thinking back I always visualize her taking us on a fun tour of Detroit years ago. We went to the Renaissance Center for drinks and Greek Town for dinner. She was so confident and proud ! I still remember her beautiful dress with pearl buttons on the back. We are so sorry that we can’t come to the funeral at this time, but our hearts are with you.

Kathy and I met when we were students at Wayne State University. She was a graduate student and I was an undergraduate. She was always so helpful and became a great friend. I have so many wonderful memories and always appreciated how she kept in touch over the years with my moves around the country. A special memory is here in the DC area when her, Ben and Matt spent Fourth of July here. We did the Mall and saw Stevie Wonder. He was still singing when the fireworks started! RIP dear Kathy and to her family and friends may happy memories bring you comfort.
