“ I will always hold dear the memory of Mrs.Kathy, a truly remarkable neighbor and friend. Kathy was not just a neighbor; she was family to us. Her warm, loving nature made her an integral part of our lives, and her absence leaves a void that cannot be filled.

*Kathy's kindness and thoughtfulness will forever be in our hearts. She had a special way of making you feel cherished, even on the most ordinary days. Her smile and the genuine interest she showed in everyone's well-being left an indelible mark on our hearts.*

*Even when life led her to a new home, Mrs.Kathy's love and connection remained unwavering. Her holiday cards and birthday cards, filled with heartfelt messages, were a testament to her enduring friendship. It was as if she was just next door, reminding us of the bond we shared.*

*Kathy's presence brought warmth and joy into our lives, and her absence is felt deeply. Her memory will forever be etched in our hearts, a reminder of the beautiful soul she was. Kathy will be truly missed, but her legacy of love and kindness will continue to inspire us.*

“ Kathy and I always shared “giggles” whenever we were together. We chaperoned a church youth group trip to Washington DC and we were always in trouble for disturbing the kids, after they finally settled in, with our giggling. Such a wonderful, upbeat, woman of deep faith. She will be missed. Kathy leaves such an awesome legacy in her beloved children, grandchildren and great-grands. And precious, lifetime memories with her one and only, Bill. Love, The Timmins Family.

“ God Bless you Dan and the entire Pullen family. Mrs. Pullen was a lovely woman who I was fortunate to get to know well in my teen years. It was always clear how much she loved her family and I always admired her and Mr. Pullen’s beautiful marriage. May your faith and wonderful memories carry you through this difficult time. I’m sad to be traveling and will unfortunately miss the memorial service.

“ We first met Kathy when her daughter Debbie married our nephew Pete. We loved Debbie and thought we'd struck gold. We didn't know, though, that she came with a surprise bonus and that was her family - her 2 lovely daughters and Kathy and Bill. We loved them all. Kathy was a very special person. We are so sad at the very difficult time she went through these past months. Her warm smile and friendly ways will be dearly missed by us. The world was definitely a better place with her in it and her passing will surely leave a huge void for all who knew her.  
Rest in peace, Kathy.

Lots of love to you all,
