“ Kay has been a long time hair client and friend. We would talk about everything as she sat under the dryer or when I gave her a perm. She was always wanting to know about my family. We laughed a lot and she had such a great laugh. I had to help her with her Ipad a lot lol she made me show her what to do. When she moved to the states I received 3 plants christmas cactus and a bonzi and now I get to remember her through these plants, thank you Kay you will be remembered always. Margaret Snell another client they were both very close she was sad to hear the news. Christine Green & Margaret Snell
