“ Dear Ruth

I enjoyed sharing "teenage boy" stories with you. Their growing pains, their successes, their love...I remember you were always so proud of your son's artistic abilities. You were always "there" for him. My heart aches for your loss. Know that my thoughts and prayers are with you. Love Deb.

“ Dear Hilda & Family

We are sorry to hear about Ken's passing. He was a good artist and a good friend. He loved his wife very much. He loved to drink and party when he had time. He also was looking forward to our wedding. That will be happening in Aug. I hope that day is watching over us that day. He will greatly missed.

“ Ruth,
So sad to hear of your loving son's passing. I know you were so proud of him as he progressed in life. I met him only once but enjoyed his company and you two as a wonderful mother and son. Please know that we will say a prayer for him and you both.

“ Dear Ruth and Family, we are so saddened by your loss. I remember how lovingly you spoke of Ken and what lengths you went through to find the right day care to put him into while you worked. May God help you get through this and know that we are here for you too.
