

Kenneth Keith , Jr.

August 5, 1963 - September 3, 2016

"The light of a sunset is golden and warm; it's colors vibrant and beautiful. For those who loved him, this is where he will always be; walking peacefully into the close of the day." Kenneth Keith Jr, age 53, of Mt. Clemens, Michigan left this world on September 3rd, 2016 at sunset.

He was born to Margaret (Napier) and Kenneth Keith Sr. on August 5th, 1963 in Chicago, Illinois. During his childhood the family relocated to Hazel Park, Michigan, where he made several lifelong friends and brothers in spirit. Ken went on to study Photography at the Center for Creative Studies in Detroit. He was a successful commercial photographer for many years before pursuing his passion for wood working full time. A unique and creative man with numerous talents including being a phenomenal home chef, Ken loved being a father and was incredibly proud of his son Zach, born in 1995. He was devoted to his family until his last breath, and was loved by so many people.
