“ *Ken was our neighbor for 14 years. He had a wonderful sense of humor, a friendly smile and an infectious laugh! We loved his friendly nature and enthusiasm for fun. Jim was thrilled how he would happily navigate our boat, welcome us to his home, and meet us in Florida for a good dinner and a great time. He always made us feel loved and appreciated. We lived and appreciated who he was. We will miss him immensely.*

“ Mary,

Our deepest sympathy to you and your family and to Dave who loved his big and OLDER brother to the Moon and Back!!

About 6 months ago I ran into Kenny at Beechwood Assisted Living. He was visiting a friend and my cousin was a resident there. We looked at each other and said "I know you"! When we said our names we hugged each other and I told him that Dave was just at our house. He said to pick up fish? No...to get golf balls. He gave out such a hearty laugh!!!

Mary, believe it or not, I often think about you. When we were subbing for Euchre at Dave and Suzi's and you showed me pictures of Grace blowing bubbles....You were so proud to have one more of God's creations added to your family.

I'm sorry I won't be able to attend the services but Don will be there to represent us.

*Love,
Carol Simons*

“ *First met Ken while playing in houses being built on Bluehill and Chandler Park Dr probably in 49 or 50. We ultimately became friends at Austin. A great person who showed his grit the last few years in our golf league. A Special Guy now in a most special Place. Condolences to Mary and his family 🙏*
