“Dear Betsy, thought of you today, 8-8-15 wondered how Kim was doing & I found this. So sorry for your loss, you gave her all that life could give & she was loved ! I like to picture Jenny & Kevin (My brothers children) & Kim all living life free of all their disabilities and doing all the things that their bodies had robbed them of. They live on always in our memories. The video was beautiful , what a beautiful person she was. Thought and prayers to you and your Family.”

“Kimmy had so many challenges to struggle with the short time she was here with us on earth. But the Lord Blessed her with the Very Best Parents he could have ever chosen for her. No one could have loved and cared for her the way they did. Kimmy, your courage and your Mother's, Father's and brother's love, courage and faith just overwelmed so many of us. I can only hope and pray that each and every one of us could mirror ourselves to your family's love. This world would be a much better place. Know that you guys are not alone there are so many people who care and love you and want to be there for you during this time. Please reach out to us.”

“Steve, Betsy and Jeff,
Kim was such a gift to so many. For me it was an honor/privilege to be her Prayer Warrior at St Thomas. My favorite memory of that is when we dressed up for the Wizard of Oz Prayer Warrior Dinner. That was fun. Thank you for sharing her with me. Her life was full of wonderful memories that you provided for her. She will stay in my heart forever. Love and prayers to you,”
