“*My heart goes out to her entire family. I havent seen you all in years but back in High school we were all very close. Ryan was one of my best friends so I was over all the time and I will never forget the sound of Kristens laugh, it was contagious and her smile always lit up the room. She was always so funny, that girl could keep me laughing for hours. She was taken from this world way too soon and Im so sorry for your loss. My thoughts prayers and positive vibes are headed your way. Just know you guys all have a beautiful angel watching over you now and shell forever be in your hearts.*”

"I dont even know where to begin. Since I heard of your passing, memories of us growing up together keep flipping through my head. Its been years since Ive seen you and I can still see the hilarious facial expressions you would make and I can still hear your laugh. We were so close Kristen and Im so happy I grew to know such an amazing person. We were inseparable for a time and we clicked on such an emotional level. I dont think you ever knew how amazing and beautiful you truly were. To Kristen's family, I am so terribly sorry for your loss. Words cant describe the pain you are feeling. I pray that you find some sort of peace through all of this."
