“Derek, We are so sorry for the loss of your father. What a jolly, kind and generous man he was. We will always picture him walking down the street with your dog, and happily visiting with his many friends around the block. He was always glad to talk about his grandchildren. Larry told us of projects at your house, noting that he was "happy to work for cookies." We have fond memories of your dear mom as well, as both of them were foundations of our neighborhood.”
