“He was my counselor in at Sterling Heights High School over 28 years ago. He coached the basketball team that I was on. He helped me apply to Wayne State University. That in turn resulted in a full academic scholarship. I never forgot what he did for me. Sheila "class of 1988"”

“It was sad to hear of the loss of Larry, who always brought humor, wit, intelligence, and vitality. He has left a void, first in my friendship with Judi, from High School on, then in events together. I do recall him at Wayne State University when he visited the Physical Education Building where I worked as a student assistant. Judi, much love, wishes for your comfort, and prayers for you and your family.”

“Dear Judi & Family, I have known Larry since I was 15. I have loved watching your family grow and the relationship between Judi and Larry as well. Judi, when I moved to Venice, I was so excited to be near you and Larry. I loved seeing the videos of Larry performing at Estancias. You are both dearly loved and Larry will be truly missed by all who knew him. He loved his family and he loved you Judi. Rich and I send our love to each one of you. Cherish those special memories you all helped make and he'll be alive in your hearts forever.”
