“ To Uncle Larry: we will miss your spunkiness and heart filled conversations. You had a endless spirit and fight. You were a big part of my childhood I'll never forget the sunday nights at the park. Aunt Kim, I can't believe I was only 10 years old and I remember the back yard wedding youse had on Ursuline. I remember the joy and kindness that filled the air. I hope today your heart is filled with the same spirit. Love always-

“ To all the relatives of Larry, you have my deep condolences. It is sad. I will miss him too. I am his neighbor Dolores. We talked to each other a lot. He had a big heart full of love and kindness. There were times when he had some food too much he would say Dolores can I bring some soup over or whatever it was? I always would say yes the meals were delicious. My heart goes out to kill, but she is strong and God is on her side. He may be gone, but he never will be forgotten. He is only a heartbeat away. God bless you, Larry. I miss you, buddy.
