“Larry was a neighbor of mine on Wilshire. He was 7 years older than me, one of the "cool guys" on the block. He was often washing his car in the driveway or in front of his house. When I walked by, he would tease me with some sort of complimentary statement which made me, a grade schooler, blush. He was always so friendly and nice. Condolences to his family. Rest In Peace, Larry.”

“My thoughts are with Larry's family. I have many fond memories of working with, then, Sgt. Tyburski including taking the pumper garage sale shopping! He was a good decent man.”
