“ I've known the Hartwell family for over 35 years, when my best friend Karen Hartwell-Bonaudo introduced me – dad Lee Hartwell always brought smiles, cheer, and memories never to be forgotten. They've always treated me like family, including Lee, Peggy & Karen welcoming me to join them on a most memorable family Florida trip. The Hartwell's have always been a huge & wonderful part of my life, and always will – Lee Hartwell let a GREAT family of sincere kindness and closeness, a true blessing!

“ Lee and Peggy and my husband and I were all in the General Motors Employee chorus together for a few years, and we went to Lee and Peggy's house one evening and Lee and Charles (deceased on Christmas day 2018) would have a ball singing on Lee's karaoke machine. We shared a lot of laughs that night.
