“ To the family of Leonardo: I was so saddened to hear of the passing of Leonardo. I worked with "Lenny" in Experimental Engineering at the Ford Motor Company Sterling Plant. At that time I was transitioning to a new assignment and was training him for my job. What a pleasant person to work with, always happy, a hard worker and love to talk about the stock market and the old times in the city of Detroit. Please except my deepest sympathy during this diffacult time.

“ We are so sorry for your loss. You have been in my thoughts and prayers all along. May our Lord Jesus give you His peace and strength. Be encouraged by the fact that you will see your dad again. He was a very kind and generous man with a great sense of humor. He will be truly missed by many. Sending love and prayers your way, Jim and Annette Montgomery

“ MaryAnn & Bill, Rosemarie & Tim This is such a difficult time. Take a moment to remember the joy, the profound influence your dad had on his family and how his memory will live in you and your beautiful children. Share stories of him often to your kids and keep his memory vitally alive. While we miss our parents so deeply we can keep them close in our hearts. Take good care-Peace-Ann Marie

“*MaryAnn and Bill, Rosemarie and Tim, As you grieve know that we are remembering all of you and honoring the memory of your father/father-in-law. Leo was a genuine, honorable and most generous man. He never came to my parents home without bringing a few dozen cannolis. He made it a routine to take my parents to Pauls Chop House and I had the honor of going some of those times. Your dad kept in contact with my mom after my father went home with the Lord, while in his own pain, he remembered her grief. The angels in heaven are rejoicing because one their own has come home! He was loved very much and will be truly missed! Love, Francesca*
