“*Troy, Hunter and Ian, I am so sorry to hear about the loss of your dear mother. She was such a sweet, kind, positive, creative and energetic person. I remember her fondly and how devoted she always was to you boys. She was always willing to help out at classroom parties and was so patient & kind to all the students. My prayers are with you and your father at this difficult time.*”

“*Troy, Hunter, and Ian...I am so very sorry about the loss of your beloved mother. You boys were the light of her life. She was so proud of you. I will miss her so much and all of our "talks" we had via the internet. To Holly, your sister loved you and supported you always. Blessings on her memory and remember all the good times you had together...to me you will always be the two girls giggling and sighing over Duran Duran.*”
