“Dear Mrs. Valentine, Thank you for car pooling us to St. Peter's; letting us eat tomatoes in your basement; for allowing all five of us to lay on your living room floor to watch TV and for all the fun times. You are the best neighbor and such a wonderful person. You will be missed. We love you, the Bristol Family”

“Lee was a wonderful wife, mother, grandmother and sister. The love she had for her children was surpassed only for love of her grandchildren. She was a driving force behind their success. She was proud of them. I loved to hear her talk about her family and admired how she was supportive of them. I know that you will miss her dearly. Take comfort in knowing that you were loved and she knew that each of you loved her.”

“Mrs. Valentine, I had not seen you in many years, but I always remember you from my St. Peter's days. You always had a smile and you adored your son, Tommy. May your family be surrounded by blessings of love and prayers during this extremely difficult time.”

“Lee, Your warm smile and loving heart will be remembered forever. My parents, Lou and Mae Ranella, were close to you and your family. From that special relationship, I was fortunate to have them ask you to be my Godmother. How very lucky I was.... how very lucky we all were to have you in our life.”

“*My Dear, Dear Sister, I am going to miss you very much. I know there are many things we've done together which I won't be doing anymore, including having fun in the casino and eating hot dogs at 5-Guys. I love you and someday we will be together again. Love Connie & Dino*”

“*Grandma, you had a special way of always making me feel good about myself. You were always the first one to call when I got sick, to wish us happy holidays and to congratulate me on winning a game in volleyball or soccer. When we went to restaurants you would never leave any of your left over food. You always had a ton of hard candies in your purse and would give me a few when ever I did not feel good. You taught me how to blow a bubble with bubble gum, even though it took forever you never got frustrated. You were the healthiest person I know, you always would tell me something you learned from Dr.Oz that you thought was interesting, and tape all of his shows, and you liked Oprah. I will miss coming by your house and drinking freshly squeezed orange juice and seeing you at my soccer and Volleyball games. Fluffy will definitely miss you too, especially licking all of the lotion off your legs. I love you Grandma and will see you again. Love, Hannah and Fluffy*”

“*Dear Aunt Lee, God blesses us with love and time in this life. You shared your love through the parties at your home on Toepfer. Remembering New Years Eve, Birthdays, July 4th, and many more warms my heart. You made the best Pizza Fritta! Thank you for the Chrysler Picnics, Cedar Pointe, Ludington, Kennedy Park, and all the wonderful parties and holidays at Grandma Marini's. I have to bring up the water fight that you and Uncle Tom had on Toepfer. As a kid, I thought you guys were so much fun. As I grew older I realized that you kept the fun going always. I'll always remember you and my Mom heading down to the Casino in Detroit to shake down the one armed bandits. I know that the party in Heaven is much better, so save a place for us to join you. Love, your Nephew, Domenic*”
