“ *Bart, you were my very first officer on my very first day on Sunday, May 5th, 1974 as I began my career with the CTFD. I trusted you as my leader and followed him into many a perilous situations. I trusted you completely to see to it I went home at the end of our shift. As I ascended the ranks and you became Deputy Chief we attended many a township function together along with Stan Cukr the chief. Together we achieved a great number of things concerning the fire department. Such as Hazmat, medical training, equipment, training division, and much more.*

So, now as the the final alarm has sounded for you Bart. I wish and pray for a safe journey to that big firehouse in the sky. May the Lord keep and comfort you and your family in this time of bereavement. Rest in peace as you have not been forgotten.

*Paul and Diane Brouwer, CTFD
