“Every person touched by Aunt Lorraine loved her, and she loved all those who entered her world. Aunt Lorraine was a shining star of energy and love -- so many wonderful memories! I was accepted into her family unconditionally and will always be grateful. May recollections of happier times bring your entire family peace and comfort in the coming days.”

“Dear Lorraine's Loving Family, It was a deep blessing and privilege for me to be able to spend a little time with your Mom each Thursday as I brought communion to Ambrosia Villa. I always loved your Mom's vibrancy, quick wit, sweet smile, pony tail/bun, and simple yet profound words. What a beautiful soul who always lifted my soul. God's peace to all of you and I lift up your dear mother. It has been a gift to me, as well, to meet some of you. It was clear that she was tenderly loved by all of you. Take good care. Love, Beth”

“To the Kennedy's. . . I'm so sorry for the loss of your mother, grandmother and great-mother. Lorraine was a wonderful person. I know each of you has memories that you will cherish for a lifetime, as will I. I was blessed to have her in my life. I thought she was an amazing woman. I learned a lot from her, I laughed with her, cried with her and thoroughly enjoyed the time we had. She was generous, caring, thoughtful and wise. She was the perfect mother-in-law! My deepest sympathies to all of you. May you find comfort knowing that she's with your dad and other family and friends that have gone before her. May you keep her forever in your hearts.”

“ *"To all the Kennedy Family: So sorry for the loss of your mother.
May all the wonderful memories of her love & joy bring you peace &
comfort. What a beautiful legacy she leaves with 6 children, 14
grandchildren and 6 great-grandchildren. I would say that Lorraine

“Kennedy Family,
We are so very saddened by the loss of your Mother....she was a beautiful lady and sweet as ever. She was a neighbor, to John and Francis Lenzing for over 40 years. I know they loved to have conversations with her as over the years if they had a few minutes in between all of their family activities. She enjoyed her family and always kept us updated on each of her 6 children and many grandchildren...She also enjoyed bowling on the same league as Fran for many years. They had many laughs together as they remained so very active. We will always remember her as an extremely kindhearted, softspoken, generous and friendly person. May she rest in peace and hapiness with the Lord our God. She will be truly missed. With our deepest sympathy, The Lenzing Family (John 'jack', John and Diane)”
