“ *I am blessed to have had my Godmother with me at every important event of life. Her hand proudly on my shoulder as my Confirmation sponsor. A full day shopping at Jacobson's Grosse Pointe with lunch and beautiful clothes. So many generous gifts I cannot count from porcelain dolls to Italian gold. She bought a record for my 16th birthday a year in advance then took me to see Donna Summers at Pine Knob. My graduation from high school, graduation from college and then my graduation from masters in engineering. Aunt Madeline, how did you find the time for me? When I was getting married: lunch at Henry Ford mansion, Lido's in the Lake, Bridal Shower my wedding day. You came to see all my homes even though they were a long drive. Every June 16 fir the last several years, you serenaded the Happy Birthday Song. I will miss that maybe most. Godmother, your love and security continue to be with me always and with all those that you love. God is rejoicing that you are home with Him.*

“ *Madeline was always the first person to offer prayers and support to anyone with a problem. When I heard she passed I thought who will pray for us all now? I know she is a peace with the lord and happy to be reunited with Jim. Maybe she will watch over us from heaven.*
