“ *I was introduced to Margaret (aka Margie) when I started Lionel in the service dept. She had a big smile on her face that I will never forget. She trained me and made me feel like I was part of the Lionel family. She was a fun lady on the casino bus on the way up north. She liked the Wheel of Fortune slot machines hoping to win big. She never missed a Lionel birthday get together or the yearly charity luncheons. It will not be the same without her. :(Miss you and luv u Margie !!*

“ Margaret was a dear friend. After work at Lionel, on many Friday's, we would go to the Texas Roadhouse, order steaks and enjoy their honey rolls. Then we walked over to the show a short distance away. We would get seated and ready for the show to start. We were relaxed and I would look over at Margaret noticing she was falling asleep. I would have to pinch her and tell her stay awake the show will be starting. With that, she did and we enjoyed watching the movie. She loved going to the casino and trying to win big with a bus full of friends. Oh, so much laughter and those Jello shots were good too. Giggle. May Margaret rest in peace and God watch over her and protect her. She will never be forgotten and will be in my heart for ever. Love Jeannie

“ I worked with Margaret at Lionel. She was hard working, loyal and funny—always eager to learn new things and help out wherever she could. She fondly called me PB, and my son, Matthew, called her Aunt Margaret. I loved her like a sister. Matthew 25:23: His lord said to him, “Well done, good and faithful servant; you have been faithful over a few things, I will make you ruler over many things. Enter into the joy of your lord.”

“ My heartfelt condolences to Margaret’s siblings and so many family members. I worked with Margaret at Lionel in HR and we attended college together in the evenings. She had a heart of gold and was a wonderful person. So many good times we had that I will never forget. May she rest in heaven until we meet again ☐

“ I worked with Margaret at Lionel. I can truly say she was one of a kind. She was a very sweet lady, she was willing to help out and do anything requested. She loved her family and had many stories about her mom. She could be very funny. She will be greatly missed.

“ I worked with Margaret at Lionel Trains and remained friends long after I left. I have so many good memories of those days and was always struck by her perseverance in life and her joy for others. She was one of a few that called me by my childhood nickname and it was very endearing. She will be missed by so many. Heaven has another angel up there.
