“ We have had the honor of having Maria as our neighbor for the last 15 years. Yes she has been a neighbor, but must of all she has been a good friend and part of our family. Maria always had a friendly smile and kind word to all. Her heart was massive, and would never turn her back on anyone in need. She has been taken from us too soon here on earth, but we know she is now with love ones that have passed before her and will continue to spread her love, and kindness in heaven. We will always have her in our memories and hearts. We will miss her deeply.
