“ I was incredibly shocked and saddened to hear about Maria's passing. Right now I am looking at her beautiful photo with tears forming at the sadness felt by me and anyone who knew and loved her. I can feel her warmth, beauty, and laughter that she spread all around, all the time. I have so many memories of laughing with her and just enjoying being in her presence. I know that she was a devout woman of faith and that God is taking good care of her now. I also know how much she loved her family, and she can rest knowing that she raised amazing children and was loved deeply by Mike, Christine, Mary-Lynn, Michael and all of those precious grandchildren. We all will miss her so much and I will think of her fondly and lovingly.

With Love,
Kathy Romant

“ When Maria walked into a room, everyone in the room brightened up. She was filled with such spirit and was so much fun to know. I worked with her at Chippewa Valley and loved to talk with her. Her smile was amazing and she was very dedicated to her students and friends. My thoughts go out to her wonderful family. I know from sharing stories with Maria that you are a close clan. May God help you through these days.

“ I am hit hard by Maria's passing and feel so sad that I haven't been able to communicate with her, but certainly understand. Thank you Christina and siblings for keeping us up to date with the emails. Maria was just pure sunshine to me, always warm and fuzzy and so much fun. I loved being around her. I feel so sad for her last year of life being so tough. She certainly didn't deserve that, but she sure was a warrior. I'm happy that her suffering has stopped and know she will be well received in Heaven. She will always be remembered.
