“*To the family of Mario - As a neighbor living across the street from Josie and Mario since 1976 I can only say how much Mario will be missed. Not seeing him setting in his driveway with Josie at his side making sure he is comfortable and warm will be an empty feeling in my heart. They are such beautiful and caring people. Josie has been a loving wife whenever Mario needed her and she has done it with love. Beautiful people! Love you both, Shirley Arnold*”
