“ *Ron and Edyie Carzoli send our sincere sympathies and prayers for Mark and his entire family. Marks mom Margaret and brother Bob were my cousins and their parents Frank and Florence were my aunt and uncle. We would see Mark at various wedding receptions for Bob and Irene Valice kids. He was always very kind and we enjoyed seeing him and catching up. We recently saw him and his brother and sister at his Aunt Irene's funeral. That was only a few months ago and didn't know he was so ill. I pray he did not suffer.*

“ I cannot begin to express how this deeply saddens me of Mark's passing. Mark was my biggest supporter in achieving my goals within this company. I knew him prior to starting with Simplex 15 years ago and his work ethics and dedication have never changed, they just got stronger. He would reach out for assistance in projects, not even being in his department as he knew my strengths and determination. He is the reason I have progressed forward to where I am going within this company today. I will miss our morning talks when we were at the office early somedays when I stopped by. I will mostly miss his inspirational quotes. I will miss him asking how an important event turned out in my life, even if it happened a month ago, Mark always remembered to inquire. Mark helped me reach my goal of going into his department within the next few months and I am eternally grateful for him believing in me. I will always think of him as being my leader. I will miss him not only as a co-worker but as a friend. My sincere condolences to the family. He will be greatly missed beyond words.

“ Working with Mark for more than 35 years there were many things that that we shared together. Mark never wanted to hear any excuses. One of the favorite sayings he would use was "Don't tell me how rough the water is, Just bring the ship in". I will remember that for as long as I'm alive. I often steal the phrase and use it myself. Mark will be dearly missed!

“ Our thoughts and prayers go out to Mark's family. Mark was a not only a close coworker but a friend. His love and pride for Lauren and Nick were well known and shared often. We would go to lunch and he would share what was going on in his life. One of Mark's goals at work was to leave a legacy of having one of the most successful teams in the company. He clearly did that and has done that for many years now. The respect that Mark garnered amongst his peers are second to none. We are really going to miss his sense of humor and the camaraderie that he brought everywhere he went. We thank Mark for being who he was and will miss him severely. We were fortunate to have him in our lives.

“ Prayers for the family in this time of Sorrow. Mark was my operations manager for the past 9 years. As a sales person for JCI Mark gave me a lot of grief my first year and it was well deserved. He was an excellent mentor and taught me a lot about my new position. Mark wanted us all to succeed in our positions and did what he could to make that possible for everyone. He ran a tight ship and was an outstanding individual, We will all miss him and his leadership at JCI.

“ Nothing but prayers to the family through this difficult time.
-
Mark was my boss for years as he was the JCI's Operations Manager and I was a Project Manager. He was one of the best! He taught the team well, so he did not have to micro-manage, and we always knew he had our backs, if needed.

-
He often bragged about how great his kids were. He couldn't have been a more prideful father and loved Lauren & Nick with all his heart.

-
Although he won't be around for the grandbaby(s), know that he will always be there to take care of them as their special guardian angel.

-
Thank you for sharing Mark with the JCI team. Tine Osentoski
