*"I was so lucky to meet Mark, who then offered me a job to learn Finish Carpentry. I accepted and spent the next 3 to 4 years with this man learning about work and about life. He taught me perseverance and not to give up. He was truly a big brother to me. He made me laugh and gave me confidence. I'm so sorry for your loss. My prayers to your family. I will miss him so much."*

“Mark was a beautiful man inside and out, he was kind, generous, giving, loving and caring. I'll always remember the way he used to walk down the halls of Stevenson High School with long striding steps and a smile on his face. He had a way of making you feel like you were the most special person in the room. He's in Heaven now with no more worries, no more pain... You will be greatly missed my friend.”
