“ *I just heard Marko has passed, I am so sad to hear this, Prayers to his family and loved ones, I haven't seen him in years. he was the Bartender were everyone would hang out and he was the kindest most caring person and made sure you were ok and no one was messing with you. I never forgot his kindness and he always treated you like friends. I take comfort in the great memories and heaven is a better place. Rest in Peace my friend.*

“ From the time I met Mark in body shop 13 years ago, he has always been the same. He made you feel like you've known him your whole life. Always kind, lovable and funny. He was the bright light at the end of my day, because he was always gonna have something funny to say or tell me to be safe going home. I can't believe that our time is over now. May God bless the family.💔🙏

“ My dear friend and work brother Mark was one of the kindest, most genuine people I've ever met. He had a heart of gold, and was loved by everyone that would come to know him.
