“ Dear Marlene:Although I didn't know you long, I did know what a fun and caring woman you were. Our family enjoyed spending time getting to know you and having you join our gatherings. The stories of your youth and life were so interesting, and you always added your special "Marlene Touch" to everything you said and did! You lived your life with dignity during some very difficult times--right up until the end.You will be missed. May you rest in peace

“ *Marleen, You were a real joy to see every week in our salon. Your sense of humor was the best entertainment we could have ever ask for. If some clients didnt know you when you came in the door? They forsure knew you when you left.We will never forget the time we had to call the EMS for you. We were all worried anout you.. and all you were worried about was the fact that you weren't wearing your good underwearWhen all was serious you kept us laughing. You are so missed by our staff already. We ALL love you! From the staff at HairLines Salon..... it was a pleasure and truly unforgetable to have you as a part of our lives.*
