“ Time has gotten away from me. I was just looking up information to see if I could find Keith and found out he died in 2017 and now I looked and found that Martha had died in 2015. I grew up on parent street right across from their home on Cunningham and Keith and I were always doing something together as kids. Once I moved I ran into him a couple times but never really connected full time with him again. Keith,s mom Martha was always so friendly and it was great to visit the house to play with Keith and sometimes steve. We'll miss both of you but will always have the memories. Marvin
