“Big Marty was easily one of the most genuine and kind people I will ever have the pleasure of knowing. Always quick with a hearty hello, a handshake and asking about family. It was always a great night at the ballpark when Big Marty paid a visit!”

“”Our hearts are broken. Big Marty was an angel and the way he treated people will never be forgotten. The way he spoke to my dad when he was still alive always made me smile. Told me, I had a nice talk with your Pops!! Each time we seen him, he always asked about my mom as well. Even while he was dealing with his own grief, he was caring about others. He made everyone feel like they were his friend and that is what I will always remember about your dad. With love from his forever friends, Craig and Lori Hickey”
