“ *What a great soul, I have been Mary Ann's pest control tech for some time now and she was absolutely one of my favorite stops, I was deeply saddened by this news and wish I had known sooner to say goodbye. Rest easy with your Leo Mary Ann.*”

“Mary Ann my friend, my cousin you are definitely a gift from God! I appreciate you inside and outside; an amazing gift to Cousin Elio, and the whole D'Alessandro family and myself. Your smile and joy lives on, you only saw the good in people and that's what came back to you. Over the years we have not been around one-another so much as we once were, yet the hearts never waived. Thank you for being the loving woman that you are and always have been; much gratitude for the loving care you shared with Elio and his whole family. We will one day meet again with joyful hearts. Love you much, Maria Rotondo Mark”
