“ Greg, Jim, Tom & Michael,

Your mom was simply the best. Always a smile and a kind word whenever we saw her. I can't appreciate your loss. Michele & I are so sorry we were out of town this week and couldn't express our sympathies in person. But know that your Dad's been waiting and now they're together.

“ I am so sorry to hear of Mary Lou's passing. We had wonderful conversations while walking thru her house. She had bought my parents' house and loved to show it off. When I would come to town, I would always pop by for a visit. She was so interested in my growing up years there and made you feel like you still lived there through the stories we told. She was warmth and grace wrapped up in a petite frame. Never shy on a hug or a word of tenderness. Rest in Peace Mary Lou. With deepest sympathy and love to your family. “ Greg, Jim, Tom, and Mike, I was so surprised to hear of your beloved mothers passing. Mary Lou was simply the best. My memories of her go back to 1968 when we moved into the neighborhood. She was always so kind and loving. She made everyone feel like they were the most special person in the room. Throughout the years she always greeted me with the warmest "Hello Debby it's so good to see you honey." I will always remember her smile and cheery disposition. My sincerest sympathy to you and your families. With love Debby Brucia Jentz

“ *Mary Lou never missed a Birthday or an Anniversary, she was a wonderful person and loved everyone. God now has another angel by his side and everyone she touched now has a Guardian Angel to watch over them. My daughter Jaclyn and I had a wonder visit Lucy 3 weeks ago and she was so happy. Lucy will be greatly missed, our condolences to the family.*

“ *Merry Mary Lou! She treated everyone as a bestie. I'm the youngest in our Pinochle Club, but she, as the oldest, could add up the points faster than me. She was the big winner at our last gathering on Wednesday, followed by her partner-in-crime, her sister Carolyn in second place. She went out on a win...how fitting. Missing her terribly are Nancy, Bonnie, Judy, Michele, Jean and Donna.*

“ I was filled with great sadness when I learned of the passing of Aunt Mary Lou. I have over 50 years of fond memories of this very special woman, going back to Christmas Eve visits when I was little which were filled with joy and laughter. Aunt Mary Lou always made my brothers and I feel special and loved. Her genuine kindness continued through the years, where she had a special place in the hearts of my wife and I. We looked forward to her handwritten Christmas card every year, which always mentioned what a great time she had at our wedding. Her ability to pass along this kind of happy and personal warmth is the memory that my family and I will forever have of Aunt Mary Lou. We send our condolences to her family, who are in our prayers.

To the Children of Mary Lou--in care of Michael:

What a special person your Mother was! Her greetings always made one feel better and always was, " You make me smile!" -- . She was actively pushing hard with her big smile to the very end because she made it that way---- such a strong person who keep going even when it was not easy for her to do so, but again, always with her big smile. She was a treasure to all who knew her!

My best to the very best, Carolyn Lou Barth
