

Meagan Betcher

September 26, 1974 - September 19, 2022

BETCHER, Meagan. September 19, 2022. Age 47. Beloved wife of Joe for 19 incredible years. Devoted and proud mother of Hunter and Carter. Loving daughter of Charlotte Houle and John Houle, and treasured daughter-in-law of Roger and Pam. Dear sister of Michael (Leah) and sister-in-law of Jon (Jillian). Fun and loving aunt of Elise, Lilly, Landon, Evan, and Brielle. She will be loved and remembered always by many aunts, uncles, cousins, countless friends, and especially her aunt and uncle, Tom and Loretta Sieffert, who had a special place in her heart.

Meagan fought with incredible grace, strength, and courage. It would be wrong to say that Meagan lost her battle with cancer because she never stopped fighting. Meagan was always positive and steadfast in her belief that she would get better. Her motivation and drive were her husband and sons. She was a shining example of perseverance, resilience, and a walking miracle that beat all odds, often leaving her doctors in awe. Needless to say, she had a direct path to heaven. Her faith, family and friends were the most important things in her life.

Meagan fully embraced motherhood, sharing her passion for life with her sons. Her motherly commitment was intense, with unwavering determination to nurture and protect her children. Nothing could compare to the level of devotion she had for her family, always putting them above herself. She ensured the constant happiness and well-being of her loved ones that never

faltered and was often inspiring to others.

Meagan's smile could light up any room she walked into. She would do anything to make you happy, to put a smile on your face, no matter what kind of day she was having. She was the true definition of a fighter and one of the strongest people on earth.

Meagan always held a special concern for helping those in need, frequently buying brand new items and donating them as often as she could. With this in mind, in lieu of flowers the family requests those who wish to express sympathy to consider donating to a charitable organization that was near and dear to Meagan's heart.

Memorial contributions in her honor are appreciated to the Samaritan House, 62324 Van Dyke, Washington, MI. 48094 (<https://www.samaritanhousemichigan.org/paypal-donations>).

“ *Meagan was one of those rare shining lights that gave warmth and comfort just by being in the room. Someone who would never realize the profound number of people her light would touch. My heart goes out to her husband and sons. Please take comfort in knowing how much joy she brought to so many people during her life.*

“ Meeting Meagan for the first time makes one feel like they’ve known her forever. Her transparency, warmth, spunkiness and laugh embraces you and warms you to the core. Her kindness in sending a card, text or a gift speaks to the thoughtful person she was. Chris and I loved seeing Meagan and Joe, most especially our trip to Charleston, where we shared good times, umbrella cocktails and lots of laughs. Rest In Peace Meagan. Our love and deepest condolences to Joe, Hunter, Carter and family.

“ *I have known this beautiful soul since she was 8 years old when I had the privilege of coaching her in softball. I was then blessed to be her babysitter for a couple of summers. From the moment I met Meagan, her bright smile, that could light up a room, and spunky spirit were evident and have always been the two things I would think of when I would see her. I am heartbroken beyond words for her family. Heaven has definitely gained one of the kindest angels, but my sympathy goes out to her entire family. Praying for all of you.*

She adored her boys & was a second mom to many of their friends including my two sons. She & Joe were a great match for each other. I will always cherish my adventures with her. Cindy Giacomazza*

“ I was blessed to have met Meagan in a Walmart parking lot about 6yrs. ago. We where parked next to each other. Hunter and Carter were with her helping her load the car. (I believe they where wearing their softball uniforms). Meagan must have noticed my cleaning supplies in the trunk of my car and asked me, “If I cleaned houses?” “ I said yes. Professionally..”

Little did I know, that God had just sent me one of his earth angels to help my business grow. But of course she did more than that. Meagan was always So Giving and understanding. When my daughter was 13 and fighting for her life in the ICU for 6 days. Meagan was the first client of mine at that time, to pay me.. not to work?! Of course she also sent me home with my daughter’s favorite chocolates to give to her to make her feel better. Meagan especially made sure to bless any of the girls that I would bring into their home to work with me. Meagan would always offer things to them she was getting rid of that she thought they might like.. to even buying specific items that Meagan knew one of the girls or their children needed. No matter the day.. she always expressed her appreciation for all of our hard work. My mom always said, “Don’t talk to strangers..” That day.. I’m glad I did. We will all cherish in our hearts the wonderful memories that you have left us. Until we meet again.. Cyndi Ayotte

“ *My sweet niece Meagan, your love and compassion was felt by everyone who knew you. Your humor and beautiful spirit brought joy to us all. I remember how you, your brother Mike, and your cousin Julie enjoyed teasing Grandma Evie by rearranging her things when she wasn't watching, then giggling hysterically and never admitting to doing it. You were a shining star in our lives, and you still are as you reside with the angels. You are and always have been a blessing to me and you will live in my heart and soul forever.*

Some of my most special memories of her were when she would come to stay with our Grandpa Armand and Grandma Evie in Traverse City as a child. We would drink Slurpees and get into mischief and laugh and laugh. She never lost that fun-loving spunky spirit even as an adult and during tough times. She sure will be missed.*

“ Meagan became my instant friend upon my son, Joseph & Carters 1st playdate in elementary school. Her passion for her kids was unmeasurable and she had a heart of gold. Always doing for others and making them feel like #1. On your hardest day, she would cheer you up and make you laugh. Plus add her famous emojis after each text. She never made her battle known and always kept positive. Meagan was a true Angel. My son, Joseph thought of her as his 2nd mom. She spoiled him with his favorite taco dinner or a special surprise, and made everyday a celebration! Meagan will surely be missed, but never forgotten. Her legacy of love, kindness, determination, generosity and faith was a true gift. I was blessed to have known her. Until we meet again my dear friend!!xoxo

You were such a wonderful person and I am so blessed to have known you and called you my friend. I loved how you gave everyone a nick name, mine was "helldog" I still don't know why you gave me that nickname I just went with it, thank you for giving me the honor of standing up in your wedding and for accepting the honor of being Chad's godmother. You were a true gem and I will miss you my friend. Sleep well and I will see you again one day.*
