“ *Missy, I am so happy I was able to know you when you were born and for many years while you grew to become a sweet young girl. I was even happier that we were able to reconnect last year. You were such a beautiful and happy young lady and will be forever loved and missed. I will always regret that the 4 of us never made our lunch date. Your mom and I will set your spot and know that you will be watching and smiling down on us. Always in our hearts!!! <3*

“ *Hello, I was a former classmate of Melissa. Our deepest prayers and sympathy are extended to your family in this time of sadness and grief. May the Lord bless you with the peace that he can only give, and may his grace and mercy be with your family. Remember the Bible says to be absent from the body, is to be present with the Lord. (2 Corinthians 5:8). The love of Christ is with you always, Joy A. Rolfe and Family*
