“ *I am so heart broken to learn of Mike's passing. My late parents were next door neighbors to Derek and Maria for many years and it was my great honor to get to know Mike during that time. He always had a gracious and kind smile when I would see him, and he taught me more about Red Wing hockey than anyone else I ever knew during my 30 plus years of living in the Detroit metro, more than any dork from Nebraska can ever know. Thanks Mike. I know I will always miss him as will all of you fine people who can see this. My deepest sympathy to Linda and the entire family.*

Mike was an amazing next-door neighbor with a quick laugh, caring soul, love for God and heart of gold! 🧡 we could not have asked for better neighbors & friends than Mike and Linda!!! And when they moved, they cared enough to make sure they put another incedible couple and family in the home. Mike and Linda - you are two great great people. We miss wine nights on the porch with you guys and Sharon. Mike you are sorely missed. We love you Linda and hope we can connect again soon. Prayers for you and the family. Good bless Mike for the great man he was and thank you for being such a great neighbor and friend! ❤️ ☐

“ Ugh 🥹 my heart is broken for the Ames family as I am just reading about “Dad Ames” passing. Mike was such a great man with an amazing sense of humor. Tim & I always enjoyed seeing him at baseball games & especially at Mel & Jeff’s Halloween party ‘s each year! As soon as we walked through the door we were greeted with the best & biggest smile and usually a cute or funny comment. Some of my fondest memories of Mike was getting to listen to him tell stories of his younger years & when he gave Tim & I some hilarious marriage advice ! lol Many stories also of course, that he really enjoyed chatting non stop about were his pride & joy; his family ! He loved his kids & grandkids!! There was never a doubt as to just how much he loved his family. Tim & I will never forget Mike as he truly always told the best stories & absolutely had THE BEST smile & “ shit eating grin” I’ve ever seen to perfectly go along with his stories. We always looked forward to hanging out & chatting it up with Mike! God sure broke the mold after him. We are sending endless prayers, love & hugs to “Mom Ames (Linda), Mel, Jeff, the boys & the entire Ames family as well all who knew Mike. May the good Lord wrap His loving arms around the entire Ames family as they mourn the loss of this special man. “Dad Ames” is so very loved & will most certainly be so very missed. May his beautiful memories keep them forever laughing & smiling through the tears now & forever until we all meet & share more stories, belly laughs & big hugs once again in Gods perfect kingdom. May he rest in Gods peace. 🙏❤️🙏
Love & Hugs,
Marilyn, Tim, Josh & Jake Clarke

“ I worked with Mike for several years at Crittenton Hospital. He was a great guy and I think of him often when I get on my grass Zamboni during the Summer months.

“ Will always remember what a great guy Mike was. I had the pleasure of working with him at Crittenton for many years. The last time I saw him he was having an outpatient test done and we chatted quite a bit. He talked about his family and he was so proud of his kids/grandkids. At that point he didn't have great-grands yet. W shared stories about our kids. He was “one of the good guys” and I will always remember him fondly.
