“I knew Mike from the Singles Ministry at SCShores Assembly. He would play the guitar for worship and fellowships. He raised 3 children by himself and did a great job. He was always there at church every time the doors were opened. Then he met Sharon and their world changed. They were a blended family, took the children to Christian school and all attended church together. The children turned out to be great Christians. They were an amazing couple and we were so happy for them. I will miss him as a friend and have fond memories.”
