" We are all grieving the loss of a very special man.....and yet celebrating the life he lived. Michael was a fine example of a husband,father,grandfather,brother, and friend. He was a quiet man,kind and helpful to everyone who knew him. A man who was not afraid to show his faith and such a good example he was to those who knew him.You wanted to be a better person just being around him,he just made you feel good.Michael has been a part of our lives for over 40 years,he always remained true to himself and who he was.He excepted you for who you were and never judged. Don is going to miss calling on his friend to help out with yet another electrical problem! And just calling to talk sports or just guy stuff.....so many memories.We will treasure those memories ,we will carry Michael in our hearts always and forever.We will continue to keep Sue,Craig,Erica and all of his family in our thoughts and prayers.What a Blessing to have been a part of his life.....until we meet again Michael.....until we meet again.Peace ,Love and Prayers alwaysDon & Linda Bartoy"

“Sue,
Jan and I will keep you in our prayers. It seems like just yesterday when we were getting started on the special journey of the "Bloom St. Boys" with our getting married and starting our families. I am sure you and Mike had a very special relationship and given these last couple of years that you are pleased he is in a more restful place. Thank you for being the loving care giver for Mike.
Take Care. Jim Piana"
