

## Michael Joseph King

April 22, 1945 - September 22, 2025

KING, Michael Joseph age 80, Passed away September 22nd, 2025  
Loving father of Antonia "Toni" (Mike) Conn and Darin (Stephanie) King.  
Proud grandfather of Jasper and Dax. Dearest brother of Sharon King. Dear  
son of the late Antonia and late Joseph King.

Michael was a devoted single father who always had his kids' six. He was a talented musician and a proud member of The Kingtones, a legendary band inducted into the Michigan Rock and Roll Hall of Fame.

Professionally, Michael was equally accomplished, serving as the Lead Survivability Engineer for the Bradley Project Manager. His expertise, dedication, and work ethic left a lasting impact over his 31-year career. So valued was he that his retirement required a two-year notice.

A celebration of Michael's life will take place on Sunday, October 5th from 1-4pm at the Hickory Grove Pavilion in Riverbends Park, Shelby Township, MI, 48316. Come and go as you please. In lieu of flowers, bring cards.

You are encouraged to share memories with the family at their 'Online Guest Book' at [WujekCalcaterra.com](http://WujekCalcaterra.com)."

“ For the short time we have known Mike , he had a lasting impact on our team . Mike was a special person with a hearty smile and warm gestures . He taught us the importance of having everything aligned ( centrally) with your engineering skills 😊❤️ and when we walk in his room at Serenity Homes now , we miss seeing things like the way you liked it there . We will miss you Mike and really wish we had known you sooner . Every time I talked to you about the things of your interest like the music band I remember how your face would light up with a a twinkle in your eyes. I hope you are enjoying reunion with your band now and doing a show in style .  
We love you Mike and Toni
