“ Our deepest sympathy to the family. I met Mike during our representation of Chateau Estates back in the day. He was always cheerful, but at the same time dedicated and very well prepared. Fred York and I both enjoyed working with him on a personal and professional level. As I am writing this, I am thinking about listening to him laugh during one of our lunch and business meetings in bygone days. Our family's thoughts and prayers go out to yours.

“ Mickey & I were the same age & grew up in the same neighborhood on the east side of Detroit. To this day, I refer to him as "Mickey" ...never could get used to calling him Mike. We were altar boys together from 2nd grade thru 8th grade. Although we went to different high schools, we remained close during those 4 years. I watched Mickey and Rose begin their wonderful relationship which led to marriage & a beautiful family. Mickey's faith in God was clearly evident as we grew into adulthood. His strength as a husband, father & grandfather was evident to all who knew him. Through the years, my wife, Judy, & I would meet Mickey & Rose for lunch or dinner & enjoyed Tiger baseball games with them. We cherish their friendship & lasting memories.

-----Love you, Mick & we pray
you are resting with the Lord.

“ I have so many fond memories hanging out at the McKays - my second childhood home. One of my favorite memories of Mr. McKay was his incredible sense of humor. His Mr. Roper impersonation was priceless! Also, his work ethic was inspiring and he was a fierce competitor, especially on the tennis court. May his soul Rest In Peace. My thoughts and prayers are with the entire McKay family.

Dear Rose & family.... We are so, SO sorry for your loss! Mike was a wonderful person , a great role model and we know he loved his family unconditionally. I was Mike's secretary at Chateau Estates for years and he was a great boss. He was totally committed to Chateau and expected nothing less from those of us working for him. Mike had a great sense of humor and we shared many laughs over the years. After leaving Chateau we continued to enjoy numerous dinners out with Mike & Rose, along with other members of the Chateau team, Darrel & his wife, Judy, and Eileen ... usually near Christmas. The conversation & laughter was memorable. We always enjoyed our time with the McKay's! Words can't express just how sad we are for your loss. You all are in our thoughts and prayers. “ Mr. McKay and his family accepted me unconditionally into their extended family around 1980. I always felt welcome, and even if I wasn't the best influence on his son Ken...I always felt his love for me...and I respected everything he said to me...because he was a straight shooter and never talked down to me. He was funny as hell.... and I can't imagine a family having a better patriarch than him...May God bless his soul....always.
