“ *"To the Nedbal family. My sister knew Mike in high school. She recently found out about his passing. She is very shocked and saddened. Could you tell us what happened to Mike? Although it's been a few years, we send our condolences and are very sorry for your loss. Mike was a nice guy. My sister and I, another friend and Mike went to Cedar Point in 1975. We had such a good time. Once again, we are so very sorry for your loss."*

“I had the pleasure of working next to Mike at Gonzalez while in Rod Carrig's group. As good as Mike was at his job, he was even better at putting a smile on your face. What I remember most was the sincerity with which he spoke, the humor he faced life with and the many stories about his family that he shared with me. It was terribly obvious that Mike treasured his home life. He was a kind, gentle soul and an absolute pleasure to work alongside. I am a better man for having known Mike. God bless him!”
