“ I am SO incredibly sad and sorry to hear of Michael's passing. He LOVED life so much, and it makes my heart heavy that we had not kept in touch since I moved back to Chicago. The "road trips" to the Joe for concerts and games. The trips to Crystal Mtn, and his YaYa's cottage, standing up in my wedding (and trying like crazy to talk me out of it!). He was one of a kind, and my heart goes out to Linda, Christine and the rest of his family. You were all so good to me, and showered Michael with love and support. My best to you all, and may God Bless you and keep you.

“ Christine, Linda & family, I am so sorry to hear the passing of Michael. Many emotions & memories come over you when hear sad / shocking news about a dear friend. You are all in my thoughts & prayers. Michael, I will always remember the laughs we had when we were growing up together... sleep overs at your house on Amsterdam, going on ski trips to Blue Mtn, acquiring my affinity for Greek food from tasting your Yiayia's Greek dishes, weekends at your cottage, boating & water skiing together & many more... but you and I pulled off the best day ever, when we went skiing in the morning at Tahoe & rushed down the hill to play golf in Sacramento in the afternoon. One of the last times we met was when you were visiting Laguna Beach and having you over to our house was a thrill for me. You were always a go to guy and FUN was never too far away when being around you. My memories are full but honestly I am sadden that over the years, life sent us in different directions... Even though we were not able to see each other as much, I always thought fondly of you & your wonderful family. Thank you for the great memories! I pray that you are in peace and you, Pete & Jonathan are laughing together once again. Lots of Love, Mark Jacobsen
