“ I am so very sad to learn of Mike's passing. Staci and Michael, I have such fond memories of your dad. Michael, remember the summers when the dads coached baseball? Your dad had such a way with the kids! Always having something positive to say to each child. I also remember all of us heading downtown after a game to see the fireworks. Staci, I know how difficult it is for a daughter to lose her daddy but your father will continue to live in the hearts of all those he loved, and who loved him, his wisdom will continue to guide you and his love will always blanket you. I so hope that your faith and wonderful memories will get you through the toughest times and that our prayers and love help comfort and strengthen you and your family.

“ Mike was a GOOD, LONGTIME friend of my beloved, late husband, Mark Nelson.

I imagine the two of them are up in Heaven, smoking special cigar, drinking the best wine and in between playing a round of golf.

Mark was always respectful of Mike and how he gave him a start in the wine business for which brought him much pride and joy. He loved his job at General Wine and working with Mike and the rest of the people there.

Mike always had quick jokes and being from the slow moving SouthWest, some of them would go over my head for a minute!!!

Mike loved our family very much, employed not only Mark, but our sons, Michael and Jared. My oldest son, Michael worked for Mike all through college at Wayne State and has many funny stories about Mike.

May he find peace now and no more suffering.

I am sorry for the loss in the family, my sincerest love goes to Jill and his kids and grandkids. Love Rosie

“ Dear Rosch Family,

The world was a better place because of "Big Mike". We have known him for many years through baseball days and then when our kids were older. He was and always will be a beautiful memory for us. His smile and genuine kindness to people was so sincere. We are so sorry to learn of his passing but know that there is no more pain for him. Please accept our deepest sympathy and in time we hope you can relish in those lovely memories you had together. God Bless you all.....

“ Mr. Mike,

I can't say you were "like" a father to me because you WERE a father to me. I could go on for days telling stories about your influence in my life is reflected in the woman I am today, but I won't. I will, however, say thank you for not telling my parents the colorful vocabulary I chose to use that hot summer day I was yelling at Mikey's friend. I know you never told my parents, because I did not dine on a bar of Irish spring that night at dinner. Your favorite story to tell about me, I'm so sad I'll never be embarrassed by that story again.

Mr. Mike you are larger than life, your smile, your hugs, even when you'd crush my knuckles ("say uncle when it hurts"). Thank you for always having my back, always loving me as your own, and always being there for me. I love you Mr. Mike, I hate that your gone, but I'm happy you are in a better place. I hope to see your in my dreams!!!

“ Thanks for all the times I needed a favor. You helped me to get a lot of hard problems taken care of and we never got a chance to get together. You had a great love of the business, and the people who were involved in the day to day situations. It's like we said "lets get it done" Thanks Mike!
