“ Mike was a neighbor for most of my life. He was a very kind person with a sense of humor and an infectious smile, and always greeted people with at least a wave and a hello. He could be seen on the weekends taking care of the yard work (including trying to remove a hornets nest of which I was of no help!), and during the winter he would often start up the leaf blower and blew the snow off the sidewalks and cars of not just himself but also his neighbors. Mike was the kind of person we need more of nowadays, but sadly we lost. God bless you Mike and may you rest in peace.

“ My heart goes out to all his family and friends. I have been a co-worker of Mike's for over 28 years. The stories.....oh boy did he have a way of telling a story. That's what I loved most about him. The stories brought enough laughs to last forever. I sure am going to miss him. He was like family. Rest peacefully my friend. Lorie from Bensons Building Supply
